SCENARIO REQUIREMENTS

"How many bases of miniatures would I need in order to play most of the scenarios?"

This convenient reference table tells you the exact scenario requirements for every battle in our Eastern Theater supplement. Each battle has a recommended table size and lists the number of miniatures needed for the Orders of Battle.

All numbers are listed [Federal / Confederate]. So for the Battle of First Manassas, the Federal OOB requires 1 general, 11 brigades of infantry, 1 of cavalry, and 4 bases of artillery. The Confederate requirements are always listed second.
